— Instructions for PIN Request

1. Please read this guide and the provided information carefully.
2. You are required to have purchased the registration form at the bank.
3. A PIN will not be generated for payments made through the BNI Mobile Banking.

Click the LOGIN → PIN REQUEST menu.

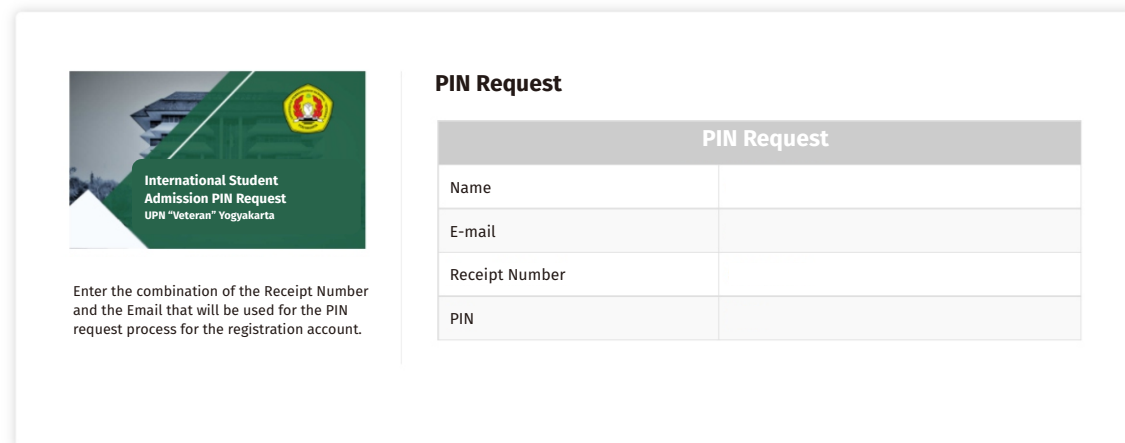

The following is the display for the PIN Request page.
Please enter the Registration Path, Receipt Number, and Email.

A screenshot of the PIN Request page. On the left, there is a green banner with a building image and the text "International Student Admission PIN Request UPN 'Veteran' Yogyakarta". Below the banner, it says "Enter the combination of the Receipt Number and the Email that will be used for the PIN request process for the registration account." On the right, under the heading "PIN Request", there are two input fields: "Receipt Number" and "E-mail". Below these fields is a yellow button labeled "Process".

The following is an example of a successful PIN request.

A screenshot of the PIN Request page, similar to the previous one, but with a table instead of input fields. On the left, there is a green banner with a building image and the text "International Student Admission PIN Request UPN 'Veteran' Yogyakarta". Below the banner, it says "Enter the combination of the Receipt Number and the Email that will be used for the PIN request process for the registration account." On the right, under the heading "PIN Request", there is a table with four rows: Name, E-mail, Receipt Number, and PIN. Each row has an empty input field next to it.

The following is an example of an unsuccessful PIN request, which may occur because:
The registration form has not been paid for, or
The entered data is incorrect (uppercase and lowercase letters matter).

Please enter the receipt number and email that will be used to process the PIN request for your registration account.
